---

**No. 2 of the Privacy Policy Annex**

**GDPR Article 6 paragraph (1). A)**

I, the undersigned, jogos ..... holder of personal data pursuant to Article 6 (1) (a) of the GDPR, hereby expressly consent to: MGV Magyar Gazdaság- és Vállalkozásfejlesztő Zártkörűen Működő Részvénytársaság (Registered before the Commercial Court of the Capital City Court under the registration number Cg.01-10-047880, registered office: 1054 Budapest, Aulich utca 7., CSO statistical code: 24721617-6492-114-01, tax number: 247216 -2-41, email:....., Phone:.....), as a data controller, to get to know and manage my personal data, which is essential for the fulfillment of the contractual relationship to be established between them, for the exercise of the rights arising from this legal relationship and for the fulfillment of obligations.

I consent to the personal data of others about the documents and records attached to this statement being accessed and processed by the Data Controller. By making this statement of consent, I expressly consent to the Company making a photocopy or electronic copy of my documents or other records containing my personal information as set forth in this statement of consent.

I declare that I have read and understood the Data Management Policy of the Data Controller and its Annex No. 1, the summary data protection information, and I acknowledge its application to the data processing included in this statement. I acknowledge the fact of data management and the fact that the Data Controller will get to know and process the data in order to fulfill the legal relationship, exercise the rights and fulfill the obligations arising from the legal relationship, fulfill the legal obligations of the Company and enforce the legitimate interest of the Data Controller.

I further declare that the Data Controller has been duly informed about the planned data management. I acknowledge that in addition to my consent, the Data Controller is entitled to process my personal data on other grounds (performance of a contract, fulfillment of a legal obligation, enforcement of the Company's legitimate interest) and that the Data Controller operates a camera system at its headquarters, premises and branches for property protection purposes.

My consent is based on voluntary, specific and appropriate information and is a clear statement that I consent to the data processing performed by the Data Controller as described above. I acknowledge that I may withdraw my consent at any time and that giving consent is a condition of establishing an obligation, in the event of termination of the consent for any reason, the Data Controller shall terminate the obligation and delete personal data from all its records, unless the personal data and I need to process data on the basis of a legal authorization or due to the fulfillment of a legal obligation, or I give my consent to further data processing.
